Lease Sale of Temple lands of Talakaveri in Siddapur Tk

New File No (40) of 193 8

General and Revenue Secretariat

Survey Number 22 comprises 12 guntas of wet land and bears an assessment of Re 1-12-0. The highest bid for this land is Rs 3-1-0 The other Survey Number 37 comprises 1 acre and 25 guntas of dry land and bears an assessment of Rs 2-8-0. The highest bid for this land is Rs 0-6-0. The total amount realised by the sale is Rs 3-7-0 which is stated to have been credited in the accounts. This is, quite clearly, wrong. It is for the Divisional Officer to explain, in each case, the manner in which credit is taken for the amounts realised by the sale. In other districts it has always been done in the manner indicated, but in this case it is not so. If approved, information on this point will be called for. Sirsi, 1st August 1939.

2. The amount already realised represents the rent payable each year. Of the two S. Nos., No 37 dry land 2 acres 25 guntas assessed at Rs 2-8-0 had the bid offered Rs 0-6-0 is 1/5 of the assessment & is very low. We should decline to accept this Number but as to reduce the assessment of lease. The sale of the other No may be approved
